

Adding sport site to kometsports.com

Annual Hosting Fee: \$25

This covers domain subscription and hosting fees. As the kometsports.com domain continues to grow increased disk space, bandwidth and databases will be needed. So if you would like your sport to be part of the domain but would like to do all of the site programming and design this is all you will need to pay each year.

Please keep in mind that other than the annual hosting fee all other fees are one-time setup amounts. Add-ons can also be added at later dates. They do not all have to be added during the initial site creation.

Additional Optional Fees:

- Original Site Creation – Negotiable
 - This would be a complete bottom up programming of your site the way you would like it.
- \$50 – Template Site – site creation will be similar to current kometsports.com sites (boys soccer, track & field, cheerleading). This will include basic layout of the following:
 - Basic Logo Image – or logo can be provided by sport
 - Menu – can be either along the side or towards the top
 - Basic Menu Items (schedule, roster, coaches, other info)
 - Color scheme – any color scheme can be picked
 - Basic Coaches login – will be able to add/remove announcements
 - Site content will be written by someone from their sport
 - Content can be changed as much as needed given the webmaster is given sufficient time to make the changes
- Custom Add-ons
 - \$25 – Customized Logo
 - \$50 – Custom Statistics Section with Coaches Login – This will allow you to have whatever statistics displayed on your page and you will have the ability to go in and change them at any time.
 - example: go to “www.kometsports.com/track/var_roster.asp” and click on any of the athletes
 - \$25 – Custom Picture Gallery – sport will be given a login to administer the picture gallery
 - example: <http://www.kometsports.com/track/igallery/>
 - Custom Forms – Negotiable
 - Custom Surveys – Negotiable
 - Additional Coaches Login Sections
 - \$15 - Add/edit/remove schedule items
 - \$15 - Add/edit/remove roster items

Other programming items requested will be considered and also negotiable. If there is something you would like added and do not see it on the list please feel free to ask.
