

BOYS – 2022 Section 1A Qualifying Standards

There are three different ways to qualify for the Section 1A Championships:

At each of the four Sub-Section meets:

The top three (3) place-finishers in each event, including relays, advance automatically to the Section 1A meet. (Automatically qualifying relay teams increased to three, up from two, beginning in 2004).

Any performances that meet or better the established standard for each event will also advance. (A standard qualifying performance must be during the **finals** of a running event. Field event qualifiers are exempt.) These standards are derived by averaging the efforts of the 6th place finishers in each event from Section 1A meets of the previous three years.

Additionally, athletes/relay teams will advance to the Section 1A Championships if their efforts (during the **finals** of Sub-Section competition) rank among the top eight (8) of all four Sub-Sectional meets combined.
